“Pump Up Your Proposal Business Coaching System”™

Face-to-Face Coaching = More Dream Clients at Higher Fees!

| 1

You and your team have killer creative skills.

Your designers, illustrators, branding and logo designers are on a mission: to morph into the “The Avengers” of design.

A team that works feverishly to infuse your client’s brand into the hearts and minds of their targeted audience -- so they have no choice but to do business with them!

Hey, that’s all well and good. But here’s...

The BIG Question: What’s your design company’s marketing, sales, pricing and operations doing to win more clients so your own business grows?

The Answer: You need a proven fail-safe system that allows you to attract stress-free clients at higher fees!

Well, that’s where *Mindwalk* comes in...

We know the health of your design business is to win the *right* dream client with the *right* winning proposal. This is why we’ve created...
