- No pressure

## ONLY THE BEST

Our goal—to find and share the best in jazz. The best recordings...the best performances. Whether you've recently discovered jazz or have been a jazz lover all your life, you'll find modern and classic jazz that you'll be thrilled to add to your collection. You'll discover rare masterworks, special editions and exclusive Society editions available nowhere else. You'll even find incredible live performances on video and DVD. Members rely on us to offer only the finest jazz in the world.

## FREE MAGAZINE

*Jazz Heritage Review* is not merely a catalog of offerings, but a well-written periodical packaged with insights and commentary by some of the most knowledgeable jazz writers in the world. You'll get 18 free issues a year. One about every 3 weeks. Our members have told us that this is one of their favorite magazines.

## YOU'LL BUY OUR MUSIC BECAUSE YOU WANT TO, NOT BECAUSE YOU HAVE TO.

Our philosophy: Offer members the very finest jazz recordings, and we don't need to pressure you to buy. Each issue of *Jazz Heritage Review* will include "Featured Selections"—recordings singled out by our editors. If you'd like that selection, do nothing; it will be sent to you automatically. If you'd prefer an alternate selection, or nothing at all, simply return the response card, fax, e-mail or respond on-line by the date specified. You'll always have at least 10 days to decide; if not, you may return the selection at our expense and owe nothing. Purchase what you want, when you want. Please note: there are no substitutions or exchanges on this introductory offer.

### SATISFACTION GUARANTEED...ALWAYS

You must be 100% satisfied with every recording you purchase...and with the Society itself. If you're ever unhappy with any recording—for any reason—simply return it to us within 30 days for a prompt refund. And, if you ever want to cancel your membership after your 90-day trial, just let us know.
